- "Roletaking" é também útil para entender melhor a Mensagem.

Importância do "roletaking"

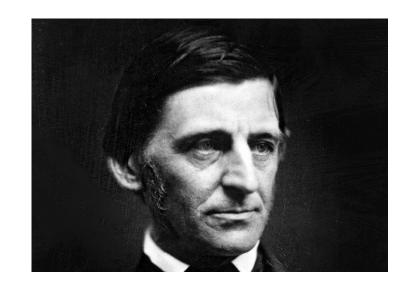

- motivação (cada pessoa é diferente das outras);
- expressão e interpretação de mensagens;
- negociação (identificar o real interesse da outra parte);
- marketing (entender a mente do cliente);
- etc.

11 Presentation Lessons You Can Still Learn From Steve Jobs

Carmine Gallo Senior Contributor \oplus I write about leadership communication to grow sales and build brands.

Steve Jobs

Steve Jobs is *still* the word's greatest corporate storyteller. I've seen plenty of talented speakers in the past year and I've written about many of them in this column but I have yet to find someone as good as Steve Jobs. This is

why I have spent so many years reviewing, analyzing and sharing Jobs' presentation techniques because leaders and entrepreneurs today need to carry on his legacy if we hope to inspire the world with our ideas. His keynote presentations continue to attract thousands of views on YouTube and he has profoundly impacted the way leaders communicate.
